

BERTL'S BEST 2007

12th Annual Awards

*Best Wide Format AEC
Job Submission Utility*

.....
Océ Repro Desk

- ***Provides a flexible print automation functionality that gives users predictable results without fear of errors and costly mistakes***
- ***Has built in alerts that give users valuable information about their files and possible problems before files are submitted for print. This allows for fewer mistakes which translate to saved time and money***
- ***Powerful client tools allow submission of jobs remotely with peace of mind that the job will be completed correctly -- Océ calls this "What you see is what you print" (WYSIWYP) functionality***
- ***The ability for AutoCAD DWG file submission increases workflow***
- ***Automated process of preparing, submitting and printing large format files with multiple file formats all centrally managed***
- ***Provides seamless integration with Océ Plan Center Vault which allows users to view, publish, and order documents online anytime, anywhere***
- ***This utility is available for a variety of Océ wide format devices, both color and monochrome, providing an easy upgrade path for Océ equipment users***
- ***The accounting feature allows for tracking of copies, prints and scans providing accurate records for billable projects***
